NSEP-Boren Scholarship
The National Security Education Program (NSEP) is a unique scholarship opportunity for U.S. undergraduates to study abroad. Created in 1991, NSEP awards scholarships to American students for study of world regions critical to U.S. interests (including Africa, Asia, Central & Eastern Europe, Eurasia, Latin America & the Caribbean, and the Middle East). The countries of Western Europe, Canada, Australia, and New Zealand are excluded.

NSEP Boren scholarships are merit based. Award amounts are based on the study abroad costs and financial aid information provided by the applicant. The maximum award is $8,000 for a summer, $10,000 for a semester, or $20,000 for a full academic year.

Gilman Scholarship
This program offers grants for U.S. citizen undergraduate students of limited financial means to pursue academic studies abroad. The program aims to encourage students to choose non-traditional study abroad destinations, especially those outside of Western Europe and Australia.

Awards of up to $5,000 are made for U.S. citizen undergraduates to study abroad. Award amounts will vary depending on the length of study and student need with the average award being $4,000.
