X* Courses may be taken at Georgia Tech; however, it is recommended that they are completed prior to transferring to Tech for these majors.

Below are suggested courses many of which can double-count for Georgia Tech and the home institution. These are suggested courses you may elect to enroll for they are required for your Georgia Tech degree and may count for your home institution degree.

- Economics
- Ethics
- U.S. History

To ensure that the above mentioned courses have a direct GT equivalent, check the GT equivalency table by accessing https://oscar.gatech.edu/pls/bprod/wwtraneq.P TranEq Ltr

Completion of the above courses with a cumulative grade-point-average (GPA) and a GPA in math and science classes of:

- 2.7 for Georgia residents
- 3.0 for Non-Georgia residents
- 3.5 for International students

will satisfy Georgia Tech's minimum admission requirements for Dual Degree students.

^{*} Science electives may be selected from Chemistry, Biology, Physics, EAS, or other courses approved by the engineering school.

^{**}Linear and Discrete Math is required for ISyE majors (these courses may be taken at Georgia Tech).

Admission Process:

- Complete the Georgia Tech Transfer Application (paper copy via: http://www.apply.gatech.edu) by the October 1st application deadline for Spring semester and February 1st for the Summer of Fall semester.
- Submit official transcripts from all colleges/universities attended. If you have attended any other college or university other than your home institution, it is necessary for you to send those transcripts as well. For institutions outside the US, a Course-by-Course with GPA evaluation from either Josef Silny (www.jsilny.com) or World Education Services (www.wes.org) is mandatory. The evaluation should be sent directly to:

Office of Undergraduate Admission Georgia Institute of Technology Atlanta, GA 30332-0320

- Submit Dual Degree recommendation form, signed by the Dual Degree coordinator from your participating college.
- Submit above application materials to the Office of Undergraduate Admission at Georgia Tech.

Note: Please keep a copy of your Georgia Tech Transfer Application. In order to receive the application fee waiver, a paper copy of the transfer application form must be submitted. If an on-line application is submitted you will have to pay the application fee.
