

Minors in Secondary Education

Program for Minors in Secondary Education
(certification to teach grades 7-12)
&
Minors in P-12 Education
(certification to teach grades P-12)

We welcome your interest in the **Charter School of Education and Human Sciences**. Feel free to call any of our faculty with any questions you might have about being a teacher of adolescents. For P-12 and 7-12 certifications, you must major in your field and take a core sequence of courses in teacher education, most of which begin the junior year.
