Academics
Credit system (e.g. ECTS) & US equivalent: 1 ECTS = .6 US

Credits are listed according to the European Credits Transfer System (ECTS). The ECTS credits system is based on student workload, which includes contact hours and time spent completing papers and assignments and preparing for examinations. In this system 1 ECTS credit point represents 28 hours of study (including attendance at classes). A full-time student is expected to earn 60 ECTS credits in one academic year, and 30 credits in one semester.

Academic advising (how do students register for classes):
Students select courses before arriving in order to be enrolled; they can change in 1st week, work w/international office to make changes

Course offerings (relationship to Berry curriculum: gen ed fulfillments, major courses; classes especially for international students):

This exchange is intended for business students since the courses mesh well with the Berry curriculum. Classes are taught in English by professors who are well known in their fields.

Students may take classes in other faculties to fulfill other requirements.

Dutch as a Second Language courses are available.

Average course load (# of courses & credits):
2/period = 4/semester, max. 6

Instruction (lecture, seminar, tutoring, online):
Lecture (2 hrs.) w/tutorial

Form of course assessment: written exam at end, paper, presentation of paper, case study papers
Support ("learning center,” etc.):
Study advisors and counselors available for learning disabilities, tutoring.
Student general counselling service

Resources (library, IT): computers are available on campus til 10:00 pm.
The VU Library (UBVU) holds a collection of approximately 900,000 publications, including some 9100 periodicals.

The Multimedia Library of the VU Audiovisual Centre (AVC) contains more than 4000 scientific and academic videos for viewing on the premises.

The VU Bookshop in the Main Building is the place to buy both general literature and the textbooks for your course.

The VU’s stationery shop is called Copy Centre. You will find it in the basement of the Main Building, next to the entrance to the restaurant. It sells a wide range of magazines, office supplies, gifts and postcards.

Should student bring a computer? Can use computers in university but there are none in guesthouse. 50 min. walk to computers from guesthouse (5 min. by public transport); All international students bring a laptop (check insurance carefully); students may access internet at the guesthouses with their own computer. Students should bring if they want to use in their rooms, internet from all rooms. Campus has WiFi

Major differences in educational system:
Lecture/tutorial system, more independent study than usually required at US institutions

Transcript & grading system (explain US equivalents, avg. length of time between end of term and issuing of transcript)

The fall semester transcripts are generally sent out at the beginning of February; spring semester transcripts at the beginning of July. They are in English.

The Dutch grading system is generally based on a mark between 1 (minimum) and 10 (maximum). A grade of 5.5 or more stands for ‘pass’, a grade of less than 5.5 for ‘fail’.

Student societies:
ESN-VUniverse is an international student organization, based at the Vrije Universiteit Amsterdam. Originally founded by a handful of Dutch students in 1992, it has since grown into one of the primary caretakers of foreign exchange students at the Vrije Universiteit Amsterdam. At the beginning of each semester, we organize the ISI Days (International Student Introduction Days), a 2-day long introduction through Amsterdam. Other activities can be as little as bowling nights and ice-skating trips, or as big as city trips and full-fledged weekends into the great outdoors (of the Netherlands).

Our board consists of 5 enthusiastic Dutch students. An Activities and PR committee helps us with organizing activities and promoting them. The majority of our Dutch members also acts as mentor to a small group of exchangers. Of course, members are also free to come by our weekly happy hour borrel once in a while.

ISMA stands for International Student’s Meetingpoint Amsterdam. It is an organisation run by Christian students who think it is important that international students feel at home in Amsterdam and have a place to meet. They organise intercultural evenings, during which Dutch and international students can meet. An interesting programme is offered, for example about the Dutch culture or a country where international students come from. These evenings, taking place at Admiraal de Ruyterweg 148, are free and always start with a meal.

Small group activities are held at students’ homes, which are two-weekly Bible studies, monthly social events and a number of excursions. All activities are open to all students, no matter their cultural or religious background. At a national and international level, ISMA is part of IFES.

Other:
Botanical Garden; 3 restaurants (mensas) on campus, 3 cafés

There is an attractive programme of sports for foreign students. All sports are offered at locations in the vicinity of the university. The main centre is at Uilenstede, which is within walking distance of the VU Guesthouse. Most of the sports can be tried out free of charge in early September. Anyone can become a member of the ASVU, but it does have a differentiated pricing structure.

Housing
Application process: Students arrange accommodation via the online system VUnet once they have been accepted by the university. VU works with two housing corporations, and each student is assigned to a corporation based on their housing budget. (See FAQs at http://www.vu.nl/en/Images/FAQ%202015%20students_tcm12-370690.pdf) The deadline for fall housing is June 1; the spring deadline is December 1. It is recommended that students apply early to reserve a space. There is a €200 non-refundable fee per semester to the housing office that must be wired to VU’s bank by the application deadline.

Deposit: students receive an email from the housing corporation prompting them to pay the first and last month’s rent; price depends on type of accommodation

Options: Accommodation consists of furnished (single) rooms with private or shared facilities. Some rooms can be reserved in one of the dorms with shared shower and toilet. Students usually have their own bedroom. In most cases, bathroom, kitchen and living room must be shared with other students. Housing is mixed-gender.

If residence hall, are intl. & host country students mixed? In the building but not on the floor

Furnishings (linens, pillow, etc.): provided towel and kitchen utensils, sheets available for a fee
Avg. distance between institution and student housing: 25-30 min. walk or 5 min. tram (runs every 5 min.); many students buy a bike (5 min.)

Financials – estimated and subject to change; see http://www.oanda.com/currency/converter/
Tuition: Students pay Berry College tuition

Room: €350 - €700 per month (Note: the rental periods are August-January for Semester 1 and late January-mid August for Semester 2)

Meals: €350/mo. = $500, self-catered

Other (lab, materials computing fees): Ss buy a print card, no computing fees, most activities in orientation are subsidized (students pay, for example $10 for dinner). Optional social excursions are subsidized (50% paid - $30/weekend).

€350 resident card

Personal expenses (books, spending money, etc. – approximate):
Experience shows that to live and study in the Netherlands for one year costs a student €700-1,000 a month (including room and board). Some students manage to spend less, but this of course depends on your own lifestyle. An indication of likely expenses is given below.

Monthly expenses without food (@ 1€ = $1.33)
Insurance: €35 (Dutch insurance), $107 for iNext study abroad insurance
Public transport: €50
Books: €50
Other costs: €60
