Bring rhythm and routine to your baby's day when you enroll in **Kindermusik Village!** This class is for lap babies, crawlers, and walkers accompanied by a parent or caregiver. Research shows the more you expose your baby to nursery rhymes and songs, the stronger those emerging *language-learning skills* will be. Materials include CDs, board books and an age appropriate instrument. Classes meet 40 to 45 minutes a week and are limited to **eight children per class**. Hickory, Dickory, Tickle & Bounce and The Rhythm of My Day are the materials for spring semester. **Cost is \$230.**

With silly, bumpy lap bounces we'll help your child **develop rhythm** while further developing his blossoming **language skills**. Materials include two CDs, a home activity book, two literature books and a pair of fiddlesticks. Classes meet 30 to 35 minutes a week and are limited to 12 children per class. **Cost is \$220.**

Busy Places – Friendly Faces.** Sidewalks, elevators, skyscrapers, and world-traveling photographers encourage a grand musical adventure in this unit of **Imagine That!** We will create and explore a city filled with music and **imagination**. With a pair of resonator bars as the featured instrument, and a multi-cultural, jazzy collection of music, your preschooler will experience the sounds of the city while developing the **social and intellectual skills** he'll need in school. Class meets for 45 minutes each week and is limited to eight children per class. **Cost is \$230.**

**Kindermusik for the Young Child, semester 2 and 4** *Young Child is the bridge between music play of early childhood and the more formal musical experience of the middle childhood years. Children develop their singing voice, listening skills, enjoy instrument play and movement. They are introduced to reading and writing music. Materials include a canvas tote bag, glockenspiel (dulcimer and recorder in semesters 3 and 4), and children's folder with activity/song pages, home CD, family songbook, and parent cards. Classes meet for 60 to 75 minutes a week and are limited to 12 children per class. Cost is \$260 for new students, \$230 for continuing students.*
