Session Descriptions

9:30am Breakout Activities

Coffee and Conversation: Spotlight on Academics (Students and Parents)

Join our professional staff, students, and faculty members from our most popular programs for this networking opportunity. Ask your questions about classes and related campus work positions, and start connecting with your future mentors!

Fun with Fitness: Health and Recreation at Berry (Students Only)

Check out our favorite workout and recreation spots on main campus, and learn more about opportunities for athletics, intramurals, and outdoor leadership. Stops include the Steven J. Cage Athletic Center, Valhalla stadium, and Berry Outdoor Leadership(BOLD) adventure course.

Tour: HackBerry Creative Technology Lab (Students and Parents)

Learn more about this centerpoint of innovation and creativity for the Berry community and surrounding area. Each year, HackBerry facilitates the creation of hundreds of prototypes and provides open access to students and faculty to use tools and resources for creating new technologies.

10:30am Breakout Activities

Adventure Berry Hike (Students Only)

Join staff and students for a stop at the historic Old Mill and a beginner's level hike to Berry's reservoir. Duration is 2 hours, so you'll have to skip an 11:30am option. Rain or shine, as long as conditions are safe.

Tour: Sisters Theatre (Students and Parents)

See behind-the-scenes as the Berry College Theatre Company prepares for spring musical 'Dogfight' by Benj Pasek and Justin Paul. Learn more about opportunities to major, minor, or participate in theatre at Berry.

Tour: Nursing Simulation Lab (Students and Parents)

Meet with nursing faculty and learn more about how the program provides hands-on nursing practice in our state-of-the art clinical practice lab using Human Patient Simulators.

Tour: VikingFusion Media Studio (Students and Parents)

Meet with the student team that runs our award-winning multimedia website, and see the hub where they author and produce original news stories, videos, short films, photos, artwork and creative writing.

Tour: HackBerry Creative Technology Lab (Students and Parents)

See description under 9:30am session.

11:30am Breakout Activities

Play the Dana Course: Frisbee Golf the Berry Way! (Students Only)

Get to know current and prospective students while checking out our favorite unofficial frisbee course. Just show up – we'll provide the frisbees! Rain alternative: Intramural games in the Cage.

Hang with Us! Eno in the Trees (Students Only)

Enjoy one of our favorite pastimes – hammocking on our beautiful campus. We'll have enos and chairs, or you can bring your own! Rain alternative: Intramural games in the Cage, or hang out in Krannert Underground.

Panel: Parent to Parent Perspectives (Parents Only)

Hear from the parents of 3 current Berry students in this session moderated by Dean of Students Lindsey Taylor. They'll cover the student journey and opportunities to stay connected to campus as a Berry parent.
