BERRY COLLEGE

1

GET THE MOST OUT OF COLLEGE BY DEVELOPING—AND FOLLOWING—A FOUR-YEAR PLAN.

You and your advisor will **SIT DOWN AND HASH IT OUT:** the best sequence of courses, experiences and opportunities to get you from point A to point B—even if you don't yet know what point B is.

BUILD A PERSONAL NETWORK OF DEVOTED MENTORS—AND KEEP THEM FOR A LIFETIME.

100% CHANCE
that you will be assigned a first-year mentor *and* a faculty or staff mentor—who will answer questions, share experience and ensure a smooth transition

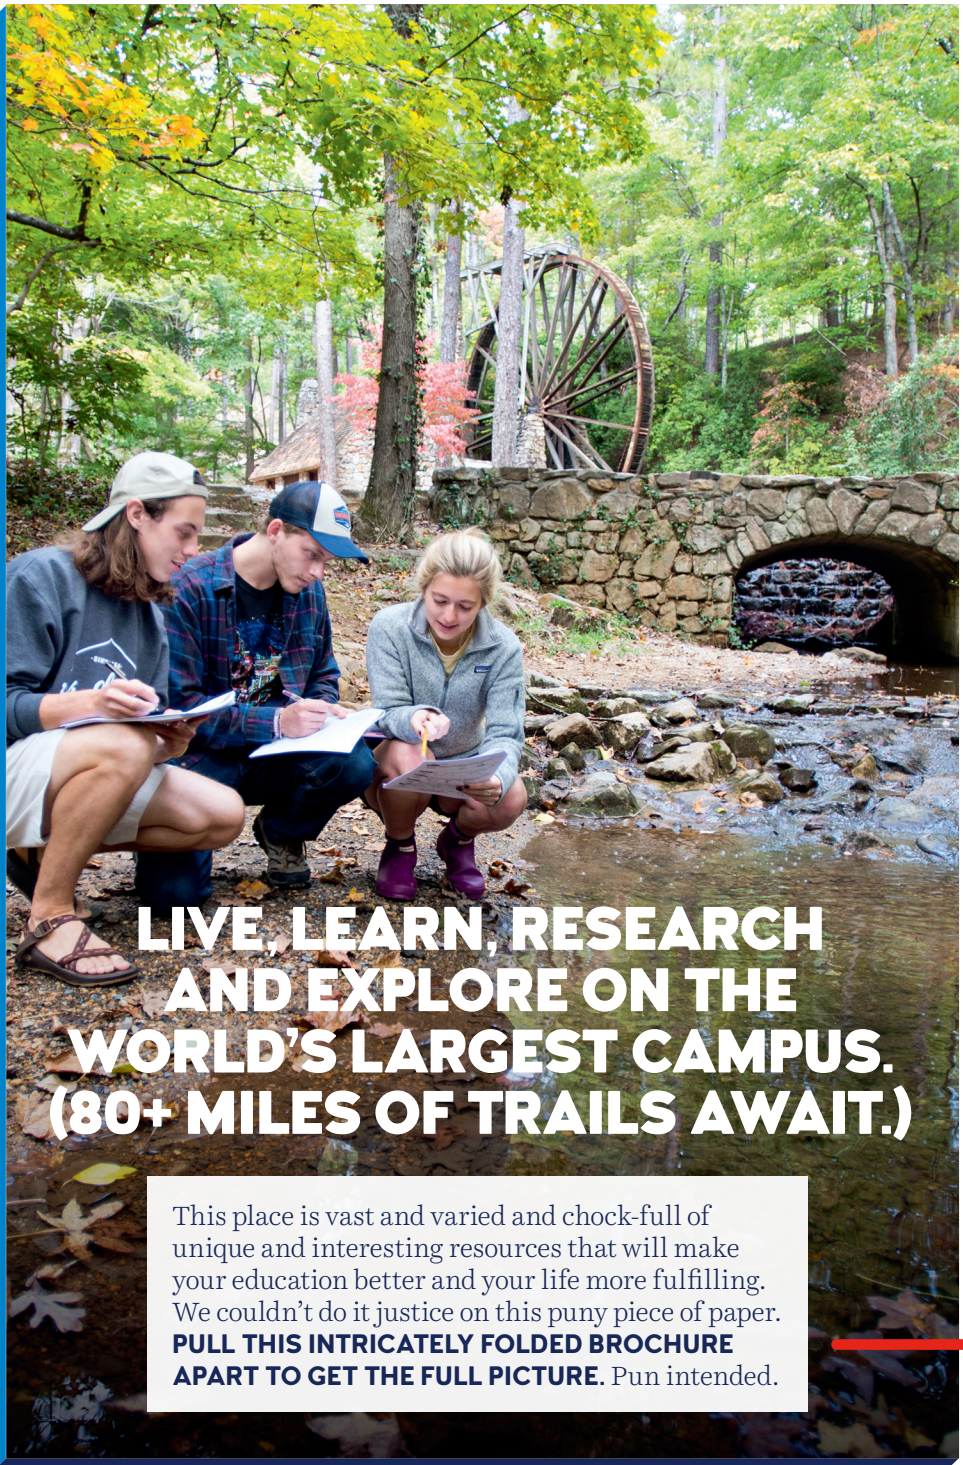
YOU'LL ALWAYS HAVE SOMEONE TO CALL ON.
Whether you're applying to grad school or deciding between job offers, your trusted advisors will be there to offer advice and help you make connections—at Berry, as you start your career and for the rest of your life.

IT'S EASIER TO *DO THAT* WHEN YOU'VE *BEEN THERE*.
By the time you graduate, you will have been logging professional experience since your first semester. Which means you'll leave here polished, prepared and equipped with a work ethic that would make our founder proud.

BEGIN LIFE AFTER COLLEGE PREPARED, CONFIDENT AND KNOWING WHERE YOU'RE HEADED.

MAKE YOUR MARK IN A PLACE WHERE WARMTH IS THE COMMON LANGUAGE AND ALL ARE ACCEPTED AND VALUED.

Berry is home to remarkable people—with many different cultures, faiths, zip codes, shoe sizes and opinions about barbecue—who **BAND TOGETHER WITH CURIOSITY AND RESPECT** to learn from one another, make one another more interesting and spend their days in very good company.



LIVE, LEARN, RESEARCH AND EXPLORE ON THE WORLD'S LARGEST CAMPUS. (80+ MILES OF TRAILS AWAIT.)

This place is vast and varied and chock-full of unique and interesting resources that will make your education better and your life more fulfilling. We couldn't do it justice on this puny piece of paper. **PULL THIS INTRICATELY FOLDED BROCHURE APART TO GET THE FULL PICTURE.** Pun intended.

LOG UP TO EIGHT SEMESTERS OF PAID, PROFESSIONAL DEVELOPMENT EXPERIENCE. GUARANTEED.

Prepare for life success through honest work from your first day on campus, **TRYING ON CAREERS, FEEDING YOUR RÉSUMÉ AND GAINING DIFFERENCE-MAKING ON-THE-JOB EXPERIENCE**—all while earning a paycheck. We call it LifeWorks for what we believe are obvious reasons.

In 1902, **Martha Berry** started a school for local students. In return, she asked only that they help build and maintain it. **What Martha understood 117 years ago works equally well today:** Taking ownership of one's education increases its impact—on our students' character, on their professional readiness and on the world they will help lead.

ENROLLMENT

We are **1,936** undergrads from **36** states and **14** countries—and with **countless** opinions, perspectives and points of view.

FACULTY

We are guided by **165** full-time faculty, **99%** of whom hold a Ph.D. or equivalent degree.

Mentioning our **11:1** student-to-faculty ratio is just our way of quantifying the fact that our professors **know us as individuals** and **teach us accordingly.**

FINANCIAL AID AND SCHOLARSHIPS

Yes, college is expensive (though Berry is **less so** than many other selective private colleges).

We like to think of Berry as an **investment,** a chance to get the **best possible education** (and so to live the **best possible version** of your life).

Berry helps families **manage college costs** through a combination of **merit scholarships, need-based financial aid grants** and **financing plans** that spread payments throughout the year.

Tuition and fees **$37,246**
Room **$7,360** (traditional)
Board **$5,710** (unlimited)

2019 Berry Merit Scholarship Range: **$8,000–$22,000**

2019 Need-based Grant Range: **$2,500–$12,500**

Which means: There is money to help make a Berry education possible. **But you can only get it if you apply.**
