

VISITOR GUIDELINES

what to expect

BEFORE YOU VISIT

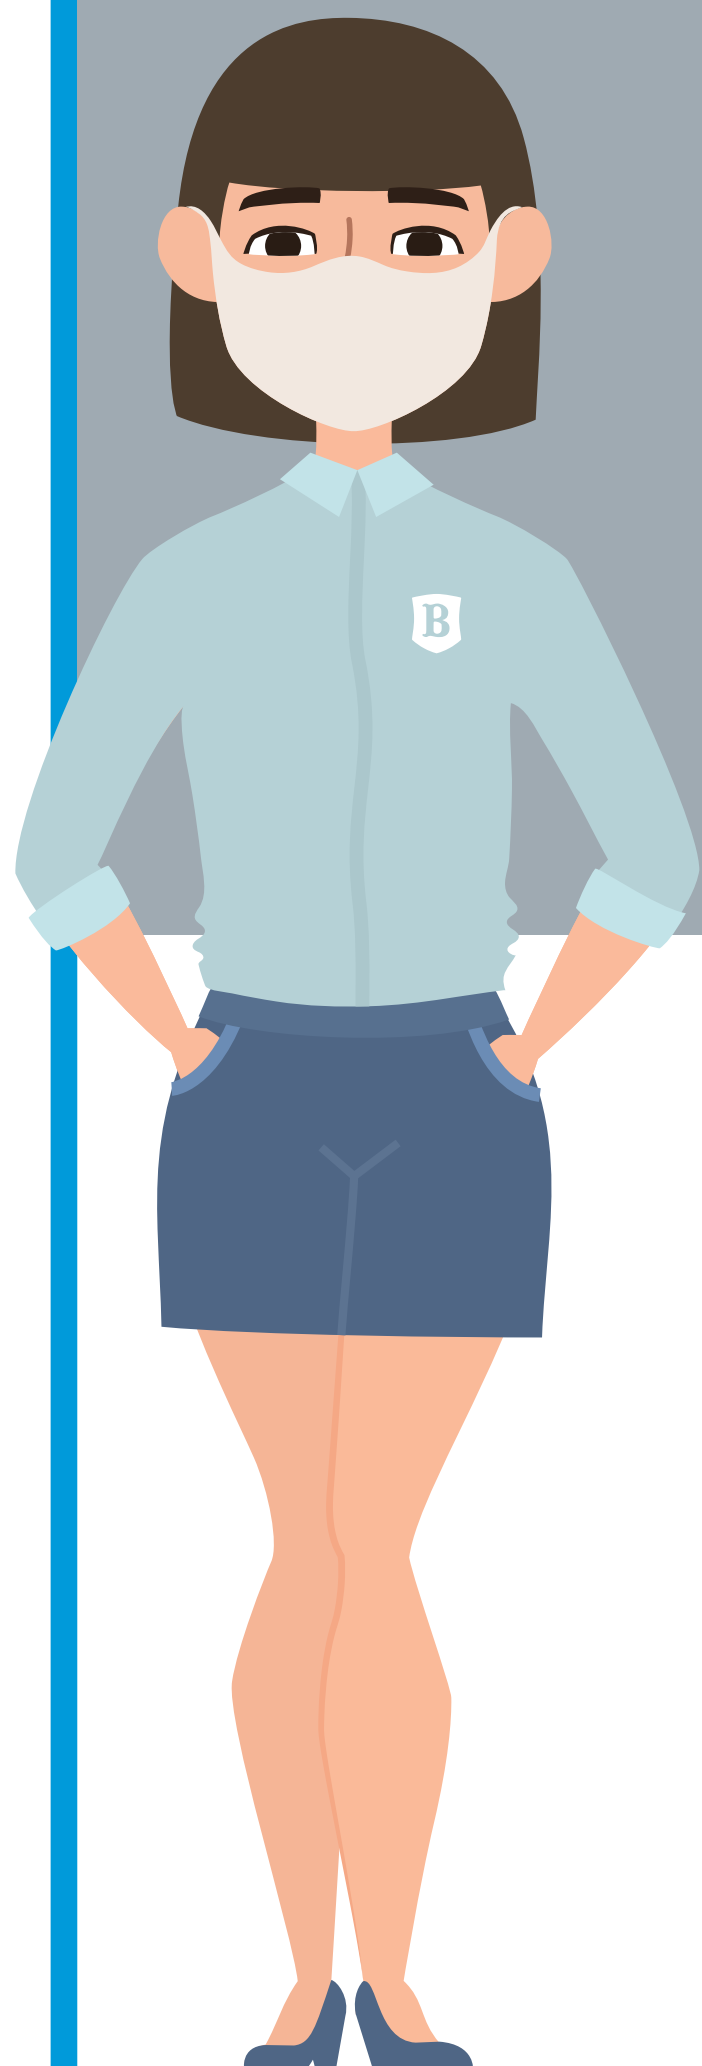

Schedule your official visit through the Office of Admission and make note of your visit date and time. We are only able to welcome guests by appointment.

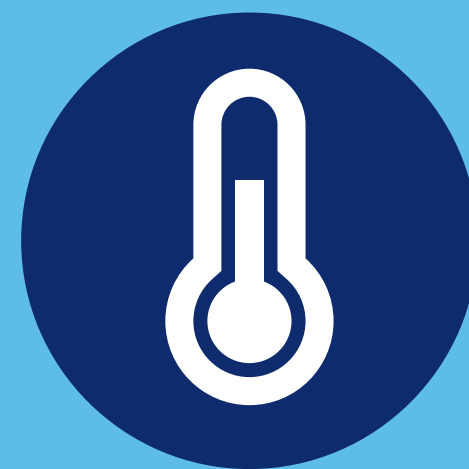

Check in with yourself. If you're experiencing any of the following symptoms, call us to reschedule your visit.

- Fever
- Chills
- Repeated shaking with chills
- Muscle pain
- Cough
- Sore Throat
- Shortness of breath
- Difficulty breathing
- Headache
- Loss of taste or smell

WHEN YOU ARRIVE

You'll stop at the entry gate and Welcome Center for the following:

Temperature check and basic health screening. We'll ask if you've been exposed to COVID or if you are experiencing any symptoms.

Driver's license scan. This helps us confirm that you have an appointment with us and know who is on campus in case of an emergency.

Directions to the Office of Admission or other check-in location. We'll get you where you want to go!

DURING YOUR VISIT

Wear a face covering.

Create space between you and others.

Wash your hands regularly.

Cover your face if you cough or sneeze.

We're cleaning and disinfecting to keep you and our community safe!
