Briefly, what is (or will be) your Signature Learning Experience?

Your answers to the following questions will help us understand what you believe to be your Signature Learning Experience (SLE) at Berry:

When and where will the experience take place?

Describe your role in the experience and how you intend to contribute.

Approximately how much time do you anticipate investing in this experience (how many hours per week for how many weeks)?

What is it about this experience that you feel will lead to it having a significant impact on you? Why do you think it will be meaningful?

How do you believe this experience will connect to your previous coursework? Your major? Your work experiences? Other co-curricular experiences?

Through your participation in this SLE, how will you contribute to something bigger than yourself (e.g., community, research body of knowledge)?

How do you think this experience will contribute to your future personal and professional endeavors?
