

Dear BCEMS Parents:

July 20, 2015

Here are some terrific and easy ways to support our school:

Target REDcard https://redcard.target.com/redcard/rc_main.jsp

Labels for Education www.labelsforeducation.com

Box Tops for Education www.boxtops4education.com

Publix Partners Card Please request Publix Cards for the BCEMS Office or stop by the customer service desk at Publix at Charles Height Square.

Kroger Community Rewards Program krogercommunityrewards.com

The “Target REDcard” for education donates 1% of all purchases using a registered Target REDcard. Visit the website for more information.

“Labels for Education” formally known as Campbell’s soup labels. Go to the Labels for Education website www.labelsforeducation.com to see a list of all the new products that are included in the Labels for Education and what you should save off the product. The “Labels for Education” program gives us points to choose merchandise from the Labels for Education catalog. *It’s not just Campbell’s soup anymore.*

“Box Tops for Education” fundraiser. Go to the Box Tops for Education website www.boxtops4education.com to see a list of all the new products that are included in the Box Tops for Education and what you should save off the product. The school receives 10 cents per box top that we submit.

“Kroger Community Rewards Program” Register you Kroger Plus Card at krogercommunityrewards.com and earn money for BCEMS.

“Publix Partners” - For every \$37,500 our supporters spend at Publix, \$250 will be given to our school at the quarter’s end. If we haven’t reached the \$37,500 mark by the end of a quarter, our balance will carry over to the next quarter. Let the cashier know you have a Publix Partners card at the beginning of your transaction. These cards are good at all Publix locations in Georgia.

These programs were chosen because they can be done with little effort and without asking family and friends for money. The funds raised with these easy programs are used for many different areas in the elementary and middle school. We hope these programs will be something your family can have fun doing together.

Thank you,
Joan McPherson-Blose
