The State of Georgia Professional Standards Commission has adopted a Code of Ethics for professional educators. A complete text of the Georgia Code of Ethics is in the Field Experience Handbook. Read it in its entirety before signing this application.

In signing this application I agree to maintain the standards of this Code of Ethics while enrolled in the Teacher Education Program. As I will be participating in off-campus field experiences I will provide evidence of tort liability insurance or waive such coverage. (Complete form on back.)

I further understand that in order to maintain my membership in good standing in the Teacher Education Program, I must maintain all of the admission criteria stated in the Field Experience Handbook.

I understand my qualifications will be carefully considered and I will be counseled concerning deficiencies which must be corrected before continuing to pursue the planned program leading to a Professional Teacher's Certificate for the State of Georgia.

I am having two letters of recommendation from college faculty sent to the Director of Field Experiences (Box 5019).
