## Special Course Authorization

*Use for: registrations requiring special authorization such as directed studies or internships.*

**-Directed Studies (498)**

These courses must be approved by the supervising instructor, department chair and the dean of the school offering the course. A directed study occurring outside the United States must also be approved by the International Programs Director. Once this form is completed and submitted to the Registrar's office, students will be added to the course. Please check your schedule on VikingWeb to confirm course enrollment.

**-Internships (496)** Internship Learning Agreement forms are available in the Career Development Center, Room 310, Krannert Center. The completed Internship Learning Agreement must be submitted to the Provost's Office for approval during the add/drop period. Once approved by the Provost, the form will be automatically sent to the Registrar's Office for registration.

**Fill out one Authorization Block for each special authorization course.**
