We take that special bonding moment between a parent and baby and add a unique blend of musical learning activities that stimulate and engage all the senses. **Zoom Buggy** and **Dream Pillow** is the curriculum for Kindermusik Village this semester. Come enjoy music with your baby and other families in your season of life!

(18 months - 3 years)

Toddlers need to explore, but they still need a grown-up to engage and encourage them. As your child sings, moves and plays instruments the adults join in the experience of making music. The curriculum for Kindermusik Our Time is **Milk & Cookies**. The theme lets your toddler experience familiar, everyday home activities such cooking in the kitchen, dusting and washing clothes with music as the vehicle. Materials include two CD's, a home activity book, two literature books and a stir xylophone.

Monday 5:45 p.m., Tuesday 9:30 a.m., Wednesday 10:15 a.m., Thursday 10:15 a.m., Thursday 6:30 p.m., Friday 9:30 a.m., Friday 11:15 a.m. \$220 includes classes, music, books and an instrument.

(3 - 5 year olds)

In Kindermusik Imagine That classes we use the power of music to tap into preschoolers' creative spirit and boundless energy. The focus is on developing their learning strengths and self-confidence so they'll be ready for school, prepared for future music lessons. **Hello, Weather! Let's Play Together** encourages children and their families to get outdoors and share time together in all types of weather! At Home materials take the fun and learning home through the specially designed instruments, a play set, two literature books, a Family Activity Book, and two CDs.

Take the fun and learning home through the use of a rain shaker, bells, a play set, books, and CDs filled with great music.

Monday 5:30 p.m., Thursday 11 a.m., Friday 10:15 a.m. \$230

Level 4 & 5 (ages 4 1/2 - 7)

Kindermusik for the Young Child provides a pressure-free small-group class where children can develop a strong musical foundation by learning the concepts, language, notation, and vocabulary of music and its greatest composers. This class prepares young children who are eager for their first experiences with musical symbols and instrument discovery.

SEMESTER 1 The glockenspiel, a pre-keyboard instrument, is used as your child learns to read music notation. Singing voices are developed, and plenty of movement activities are included in every class.

Tuesday 5:15 p.m. Thursday 3:45 p.m.

SEMESTER 3 Appalachian music is featured and a two string dulcimer that you build with materials that we provide. Students will learn to play chords and simple melodies on the instrument they built. We'll explore rhythm concepts through dances from Appalachia, Africa, and Native American cultures. **Thursday 5 p.m.**

Materials include a tote bag, glockenspiel (dulcimer in semesters 3), and children's folder with activity/song pages, home CD, family songbook, and parent cards. Classes meet for 60-75 minutes a week and are limited to 12 children per class. **\$260**

Beyond Kindermusik for those completing **Young Child** classes who want to continue group music classes. Kindermusik songs are now played on the piano, and music making continues with peers during ensemble time.
