To the "Berry Best" parents out there!

The Berry College Student Government Association (SGA) would like to say welcome to all of our new students and welcome back to all of our returning students! Once again, SGA is offering our Baked Goods care-package program. We would like to encourage all parents to purchase goodies to make your student feel even more at home here at Berry! Our wonderful baked goods are made fresh daily by Honeymoon Bakery, Rome's premiere local bakery.

Ordering is easy! Please complete the Order Form on the back of this postcard and mail it back with the payment enclosed. Each order needs to be received at least one week prior to the delivery date. Our class officer team delivers orders every Tuesday and Thursday.

The price for each item includes a \$5 delivery fee. We use proceeds from the Baked Goods project to fund various services for Berry students, such as the construction of volleyball courts, outdoor grilling areas, and Random Acts of Kindness Week.

If you have any questions or concerns, please e-mail at [jessica.wolinsky@vikings.berry.edu](mailto:jessica.wolinsky@vikings.berry.edu) or [sga@berry.edu](mailto:sga@berry.edu).

**Please make your check payable to Berry College SGA** and mail to:  
Berry College  
PO Box 490093  
Mount Berry, GA 30149-0093

Thank you in advance for your order!

Jessica Wolinsky, Vice President for Service

P.S.--Please make copies of this order form for future orders.
